Dear Reader,

The Second Harvest Food bank in St. Joseph has been working to expand their backpack buddies program to area schools. This program provides food for students that qualify. The Pattonburg school district was given a few food packages last year from second harvest to send home with students. Pattonburg realizes the need and plans on expanding the program this year as funding is available. Each donation of \$150 will provide 1 package per week, on Fridays, to a student for the entire school year. Items included are: cans of soup, corn, and ravioli, 3 juice boxes, mandarin oranges, cereal, fruit snacks, crackers, and a pudding cup.

Monetary donations from local churches, businesses, or individuals would be greatly appreciated to help provide for this need. Donations can be sent to the school or dropped off. Please specify that it is for the Back Pack Buddies Program. If you have any questions, feel free to contact Alan McCrary or Kristin Etherton at 660 -367-2111.

Sincerely,

Alan McCrary
