Visitor Communication/Committee Reports

Susan Sexton, former Ag Teacher George Peugh's daughter asked if there could be a display case added to the Ag shop where her dad's memorable could be displayed. The board agreed that the display case should be placed in the Commons so more people could see it and Superintendent Pottorff would be reaching out to her about other details.

Administrative Reports

Superintendent Pottorff gave updates on the roofer and roofing company, the board asked if a representative of the roofing company could come to a board meeting sometime. He stated the football scoreboard was up and wired and would be finished later this week. Signs with tint have been added to the windows in the commons, concrete for the 3rd base dugout would be poured this week and he thanked the custodial crew and maintenance for all of their hard work in getting things ready for the 25-26 school year. High School Principal McMillen stated that there were 99 students enrolled in 6th-12th grades as well as other student totals for programs the school district offers. A Newsletter was published on Facebook and that registration was approved and set for next year. Elementary Principal Yost said that there was a 97% turn out for open house, stated what training the elementary teachers did during in-service and that Grandparents Day has been set for September 12th.

Old Business

New Business
